Dear Mr. Gibson:

I am writing in response to your June 27, 1996 letter to Marjorie Dannenfelser, of the Susan B. Anthony List, Inc. (SBAL), Identification Number: C00280057. I have recently taken over the responsibilities of treasurer for SBAL. In the transition, the first quarter FEC report was filed. Upon receiving the June 5, 1996 letter from Neil Evans, I called him immediately to discuss the letter with him. I explained the situation, that I had taken over as treasurer of SBAL in April, and that we would be working on the first quarter report to include any changes that would be necessary to make sure we were complying with FEC standards.

Due to the fact that I am only working part-time as treasurer, and my full-time job requires a fair amount of traveling, the process of reconciling the reports has taken a bit longer than originally anticipated. I explained to Mr. Evans that we wanted to make sure the 4th quarter report from 1995 was not the erroneous report and that might take a few weeks. To complicate the situation more, SBAL hired a new Executive Director at the beginning of the year. We have been trying to consult with the ex-Executive Director about the 1995 report.

At this point, I want to completely reconcile the reports so that I may proceed with all of our accounts and reports in order. This is especially important because the FEC report for the second quarter is due July 15, 1996. I assure you, this is my top priority at SBAL. I hope to have this matter resolved by week's end and will contact Mr. Evans to update him on the progress.

If you have any questions, please call me at (703) 836-0868. Thank you in advance for your cooperation in this matter.

Sincerely,

Maura K. Dunne
Treasurer
Susan B. Anthony List, Inc.
